Hi Antony,

Allow me to clarify (for the record) my initial email seeking “...***emails you generated on two specific dates and subject***”. I sought from you “...any ***alleged*** emails sent by...”!

I will generate a “no responsive records” final reply to requester. Having said this, I’m unsure as to what you refer too in the highlighted statement. A potential record in this case, would have originated from you. We can talk further if you need me.

Wanda,
I wanted to reply that I have not found records subject to FOIA that are responsive to the FOIA request. **If a records comes to your attention, please kindly let me know so that we can discuss how to respond.** I hope you enjoy the rest of your day.

Thanks,

Hello Antony,

I hope you're doing great!! Attached is a FOIA request involving emails you generated on two specific dates and subject. Can you review it and let me know if you will have stuff that is covered by this request? If you determine that you'll need assistance with Outlook processing, reach out to me (or if you have ??). PAD is lead for response purposes (everything goes thru the portal). Thanks for everything!, Antony!
